A Proven Process. Exceptional Results.

At Aureus, we have over two decades of experience behind us and our processes have been tested over time. You'll be assured of **service that's personal** and **results that make an impact**.

We'll hand pick, thoroughly qualify, and present professionals that match your position profile. And, we'll remain in close contact with you to ensure a smooth transition.

- **Identification of highly qualified employees through our extensive national network**
- **Comprehensive screening and assessment of candidates, including verification of experience, skills, references, licensure, and certifications**
- **Presentation of candidate(s) for your consideration**
- **Personal interview with your facility. You make the final decision.**
- **Performance monitoring, including thorough communication and ongoing evaluation to ensure a successful placement.**

Your Trusted Name in Healthcare Staffing.

Aureus Medical Group is a national leader in healthcare staffing. For **more than 25 years**, we've been placing exceptional and talented professionals in top hospitals and medical facilities across the country.

We understand what's most important to hospitals such as yours – quality care that your patients and their families depend on, 24-hours a day. At Aureus Medical, that's our goal, too.

With the **highest quality** employees and the most **reliable, efficient, and responsive** service in the industry, we provide comprehensive solutions for your staffing challenges.

We'll ease your administrative burden, save you time and money, and enable you to focus on your core competencies. Most importantly, we'll help you maintain continuity of care and perform at your optimal levels.

In healthcare, experience matters. And when it comes to staffing, you need a partner you can count on. That's Aureus Medical – **your trusted name in healthcare staffing.**

Aureus Medical Group has earned the **Joint Commission's Gold Seal of Approval™**.

Comprehensive Solutions. 360° of Care.

Aureus Medical recognizes that no two facilities are alike and your needs are continuously changing. Flexibility is a must.

Whether you require an employee for a short period of time or for the long-term, we're dedicated to providing staffing solutions customized to meet your unique operational and organizational needs. We've redefined the way healthcare staffing is delivered to you.

Local Contract

Healthcare professionals who live in or around your area work on contract in your facility. These qualified employees do not require housing.

National Contract (travel)

Healthcare professionals who work on contract at your facility in varying locations nationwide. Aureus handles all payroll, benefits, travel, and housing arrangements.

Match Hire® (contract-to-hire)

This "working interview" enables you to assess a prospective employee's compatibility and job performance for a trial period before making a hiring commitment.

Direct Hire (full-time)

Location and placement of qualified healthcare professionals in full-time positions within your facility.

Physician Search

Direct placement of full-time and locum tenens Physicians in your facility.

Managed Services Programs

Customized programs and web-based software designed to streamline the staffing process and help clients achieve increased efficiency, a higher level of patient care, and a better bottom line.

Overcome Your Staffing Challenges.

Today, hospitals and medical facilities like yours are under enormous pressure to maintain staffing levels, control costs, and continue to deliver the very best in patient care.

At Aureus Medical Group, we understand the challenges you face and how to overcome them. We're more than a staffing provider. We're your partner in enabling you to best meet the goals and objectives of your organization.

- *Alleviate your staffing shortage.*

We provide highly skilled and qualified full-time and contract healthcare professionals, when you need them the most.

- *Increase the efficiency and effectiveness of your staffing decisions.*

We'll put our decades of experience, leading edge technology, and time-tested processes to work for you to source exceptional candidates, every time.

- *Avoid costly staffing errors.*

Finding the right fit is our specialty.

- *Reduce your administrative burden.*

We handle all aspects of the staffing cycle, including staff procurement, payroll, travel, and housing arrangements.

- *Increase staff satisfaction across the board.*

Our solutions will improve your staff-to-patient ratios. We'll provide employees able to acclimate and contribute immediately.

- *Maintain the highest level of patient care*

Our commitment to you and the patients we collectively serve is unwavering. We take great care in identifying professionals that have the skills and attributes you require and who will fully integrate into your facility.
